

Our **mission** is clear: we aim to be the regional leader in physical therapy, occupational therapy, and sports performance training. In order to lead we must be able to serve. One of the ways we do this is by offering **same-day hand delivery of referral forms**. If you find yourself running out of referral forms, just call our marketing department at 603.749.6686 and ask Dave Abbett to bring more forms.

We also have released our first-ever **Rehab 3 Program and Clinician Directory**. This guide summarizes our programs and services as well as providing bios of our many highly-skilled professionals. It is a great quick reference in the effort to provide the highest level of care to our patients.

**IN THE WORKS:** We are currently planning our next **Office Manager Meeting** to be held in the fall. We will be hosting a social time with hors' d'oeuvres followed by a speaker, and a raffle of highly sought after prizes for those in attendance. So when the invite goes out don't hesitate to reply for this great local event.
